LUMINA GREEN 360 - TERMS & CONDITIONS OF SERVICE

1. Booking & Payment
Full payment is required to secure a booking. Proof of payment must be sent. Booking dates are held only until the end of the invoice day.

2. Utilities Requirement
Clients will provide steady electricity and water throughout the service. If cleaning is rescheduled due to lack of utilities, the client will cover logistics costs for the return visit. Should incase there is no steady electricity, cost of petrol will be included in the invoice.

3. Scope of Service
Our service strictly covers cleaning. Tasks such as moving items, clearing debris, detaching fixtures, or removals must be completed before we arrive. If requested, such tasks attract additional fees and must be communicated in advance.

4. Site Readiness & Artisans
Cleaning areas will not be re-cleaned if artisans soil them during or after our work. Re-cleaning requires an extra fee. For best results, no construction or renovation activities should occur on the cleaning day.
If site conditions prevent work on the agreed date, the client will be rescheduled to the next available date and pay logistics costs. Failure to wait for rescheduling results in forfeiture of payment, as refunds are not provided. A 24-hour notice is advised to avoid losses.

5. Additional Services
Only services listed on the invoice will be rendered. Extra services (e.g., floor polishing, upholstery, carpet/rug cleaning, outdoor cleaning) attract additional charges payable before service commencement.

SERVICE REDO POLICY

Clients may request a redo for unsatisfactory areas within 24 hours after service. Lumina Green 360 will schedule a return visit for necessary corrections.
NOTICE: Please read these terms before making payment.
